Dear Dr. Eichenberg:

Congratulations! The American Board of Plastic Surgery, Inc. takes pleasure in informing you that you have successfully passed the Cognitive Examination of the Maintenance of Certification in Plastic Surgery (MOC-PS®) Program held in April 2011. Enclosed is an analysis of your performance on the examination.

The module completed for this examination was **COSMETIC** Surgery.

Your certification is valid for 10 years from your original certification expiration date. Certificates are mailed separately in December of the year your initial certification expires. Renewal of your certificate will be dependent on your total and timely compliance with all MOC-PS® requirements. This letter can be used as verification of completion of the Cognitive Examination and your continued participation in the MOC-PS® Program. Further information regarding MOC-PS® is available on the Board's website (www.abplsurg.org). It is important that you notify the Board Office immediately of any change in your e-mail or mailing address. This change can be updated through the Board's website on your physician profile.

The Board Office will submit your name, address, social security number and date of birth to the American Board of Medical Specialties (ABMS), the American Society of Plastic Surgeons, Inc. (ASPS), the American College of Surgeons (ACS) and regional Plastic Surgery Societies, informing them that you passed the Cognitive Examination of the MOC-PS® Program. If you do not wish the Board to submit this information to these organizations, please notify the Board Office in writing no later than one month after the date of this letter. ABMS will contact you directly for inclusion in their next Directory.

Best wishes for continued success.

Sincerely yours,

R. Barrett Noone, M.D.
Executive Director
